

Capistrano Community Church is located in north San Juan Capistrano, California off the Interstate-5 (I-5) freeway just south of Laguna Niguel and Mission Viejo.

From either direction on the I-5:

Exit at Avery Parkway

Go west on Avery to Camino Capistrano and turn left (south).

Continue down Camino Capistrano and you'll see Rancho Capistrano's gates on your right hand side just beyond the Mercedes dealership.

Turn right, over the railroad tracks, and stop for further information at the entrance booth.

Follow the road as you pass the conference center on your right, the athletic fields and school on your left, and up a short hill to the top where the road ends at the church.
